Book Overview:

In Regency London, an unconventional scientist and a fearless female artist form an unlikely alliance to expose unspeakable evil . . .

The Earl of Wrexford possesses a brilliant scientific mind, but boredom and pride lead him to reckless behavior. He does not suffer fools gladly. So when pompous, pious Reverend Josiah Holworthy publicly condemns him for debauchery, Wrexford unsheathes his rapier-sharp wit and strikes back. As their war of words escalates, London's most popular satirical cartoonist, A.J. Quill, skewers them both. But then the

clergyman is found slain in a churchâ€”his face burned by chemicals, his throat slashed ear to earâ€”and Wrexford finds himself the chief suspect.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
